POLICIES

Enrollment: Students will receive academic credit only for courses in which they are officially enrolled. Enrollment is mandatory. Enrollment deadlines are published in the Academic Calendars. Students must enroll online or submit an Enrollment Activity Form by the Last Day to Enroll, Add/Drop Classes or Submit Independent Study Proposals.

Adding and Dropping: Students may add and drop classes without financial penalty until the Last Day to Register, Add/Drop Classes, or Submit Independent Study Proposals. Graduate and Professional students may do this online at home.apu.edu or by submitting an Enrollment Activity Form. Such changes may be made only during the dates listed in the Academic Calendar. International students must obtain approval from the International Center to add or drop a class. Following the deadline to drop a class, a student must withdraw according to policies and procedures as stated in the Withdrawal section below.

A drop will not be permitted after the deadline, except in cases of extenuating circumstances due to accident or illness, serious personal or family problems, or military transfer. Valid documentation is required. An Enrollment Activity Form with valid documentation may be submitted to the registrar's office in the Student Services Center for evaluation. The dates of the extenuating circumstances substantiated by documentation must have occurred during the course's session and will determine the authorized drop action date. Without valid documentation, any drop request received after the deadline published in the Academic Calendar will be processed as a withdrawal. It is the student's responsibility to check with Student Financial Services to determine how an approved late drop or withdrawal may affect his or her financial aid. Also see the Withdrawal section below.

Late Enrollment: Students who are unable to enroll before the registration due date may enroll up until the Last Day to Register, as published in the Academic Calendar. Late enrollment may be requested by submitting an Enrollment Activity Form. Professor, dean, and registrar approval for enrollment after the deadline may be granted only in extreme cases where extenuating circumstances are evident and can be substantiated. A \$125 nonrefundable late enrollment fee is charged.

Withdrawal: The last day to withdraw for every specific term is indicated in the Academic Calendars. The student must secure an Enrollment Activity Form from the Student Services Center (also available at <https://www.apu.edu/graduateprofessionalcenter/registrar/forms/>). The student will receive a W (withdrawal) grade in the course from which he or she withdraws. A student who never attends or stops attending course for which he or she is enrolled will receive an F in that course if accepted procedures for withdrawal are not followed. Approval for withdrawal after the deadline is granted only in extreme cases where extenuating circumstances are evident and can be substantiated. A \$125 late fee applies to all late withdrawal requests. Any approval of a late withdrawal requires the favorable endorsement and signatures of the professor, department chair and Registrar. No financial adjustments will be made.

Refund Policy for Withdrawals: Students may drop a class with full refund of tuition and course fees until the Last Day to Enroll or Add/Drop Classes for the appropriate session, as published in the Academic Calendars. Following the deadline to drop a class, a student may withdraw under certain circumstances. In the event a student withdraws from a class, refund of tuition and course fees will be made as follows:

Through the Last Day to Enroll or Add/Drop	100% refund
After deadline, up to 24% of session	90% refund
25-39% of session	50% refund
40-59% of session	25% refund
60% of session or greater	0% refund

PROMISE TO PAY

I promise to pay all stated enrollment charges and required fees listed online and in printed materials associated with the courses I selected. I understand that I am responsible for checking my monthly statements, calling my student account counselor, and/or checking online at home.apu.edu for confirmation of the correct charges associated with the courses I selected. I agree that monies paid on my behalf do not extinguish my payment obligations in the event those monies do not actually come through or for any reason and at any time are returned to the payee or anyone claiming on behalf of the payee or the payee's creditors. I agree to pay any amounts that do not actually come through or for any reason and at any time are returned.

For value received, I promise to pay to Azusa Pacific University, at 901 East Alostia Ave., Azusa, California 91702-7000, the required charges and fees. Each payment shall be credited first toward penalties and costs, then toward late charges, and then toward the remainder of my student account balance. Payments will be applied to student account charges in the order of when the charges were incurred, beginning with the earliest charges, including charges from prior academic years, and concluding with the most recent charges. If any collection steps are taken to collect any overdue amount, the undersigned promises to pay, in addition to the entire balance of the account including late charges, all reasonable attorneys' fees and expenses and all reasonable charges and cost incident to the collection of any amount not paid when due according to the terms of this Promise to Pay.

I further promise to abide by the university's policies as stated in the catalog, and in other printed materials, which state that my attendance in class, taking final examinations, release of grades, and participation in a graduation ceremony are contingent upon timely and complete payment in accordance with the terms of this Promise to Pay. Azusa Pacific University has the ability to compel payment through such means as: denying my ability to reenter APU or to receive diploma(s) until all amounts owing are paid. I understand, acknowledge and agree that, if I am allowed to register for courses for a new academic year, APU has the right to, and will, revoke all of my course registrations if I have not paid off any current or prior academic year's balance four weeks prior to the start of the new academic term, and that if my course registrations are revoked and I am later permitted to enroll after meeting my financial obligations to the university, I may not be able to register for the same courses that were revoked.

The pricing for tuition and fees is set each year on the basis of fixed costs and other projected costs for the year. As a result, the university reserves the right (and retains the discretion), consistent with delivering the educational content of our commitment, to unilaterally implement changes (as it deems necessary) in areas such as course content, instructional methods, class locations, instructors, mode of educational delivery, and level and nature of campus activities without reducing tuition and fees.
