

Undergraduate Summer Housing Program 2024

How do I obtain undergraduate summer housing?

All the details you'll need to know!

- Summer Housing (including Summer 1 Housing) will be in University Village. Students who need to stay for the first five weeks or less will likely be assigned with students who have similar checkout dates.
- Students who stay for the entire summer will receive a 50% discount. Students who stay for part of the summer will pay by the weekly, non-discounted rate.
- Private bedrooms will be available as our inventory allows. We cannot guarantee students their own unit.

Standard Summer Rate: \$3302

If paying weekly: \$254

Two students in one-bedroom units and four students in two-bedroom units.

Private Summer Rate: \$4953

If paying weekly: \$381

Students do not share a bedroom; however, they may share a unit. Students are not guaranteed a private unit.

The entire summer charge is based on a weekly rate over **13 weeks**.

Summer Discount:

While the entire summer rate would be \$3302 (Standard Occupancy) or \$4953 (Private Bedroom), students who stay all summer (13 weeks) will receive 50% off their summer cost and only pay \$1651 (Standard) or \$2476.50 (Private).

The summer rate is the same for one and two-bedroom units. The private bedroom rate is 150% of the standard rate.

Already live in the summer zone?

Students already living in the summer zone will most likely remain in the same unit for the summer. These students should expect to receive roommate(s) for the summer unless they are granted a private bedroom.

Summer Housing Program

Eligibility

Any undergraduate student who will continue in the fall or who is taking summer classes may request summer housing. Current students do not have to be enrolled in summer classes if they are enrolled for fall 2024. Incoming students who are new to APU must be enrolled in summer classes at the start of their residency. Athletes finishing competition and students staying for summer 1 or longer (but do not wish to stay all summer) are also eligible. Students who have graduated or will be an APU graduate student in the fall are not eligible for this program.

Placement

Summer Housing (including Summer 1 Housing) will be in University Village. Athletes should contact their coach to ask if they need a space for post-season play. Students who are currently living in the Village will continue to do so, but may have to relocate to a new unit to allow for overdue building maintenance (fumigation, maintenance, improvements, etc.). Students will be placed two per bedroom, unless a student pays for the private bedroom rate.

University Village, Summer Zone:

A, B, E, F, G, I, M, & N

How to Apply

Students may submit the [Summer Request and License Agreement](#). Students should complete this form by April 28.

Specific roommate, room type, or location requests can be made, but are not guaranteed. One-bedroom units are very popular, but most are filled by students staying in the same unit or by those who will live there in the fall. Please manage your expectations.

Summer Housing Reminders

Summer Check-in

Students may check into their *Summer Housing* or *Summer I* space beginning **Tuesday, May 7, 2024 at 12pm** at the Residence Life service window in Engstrom Hall. Residence Life will be open until 5pm.

General Spring Checkout...does not apply to you!

The general checkout deadline of May 5, 2024 at 3pm does not apply to you. All summer residents must be out of their spring unit by 10pm on Tuesday May 7, 2024. You will not be homeless for a day! Please be prepared for your move. Be packed, cleaned, and ready!

Getting units ready

As the transition from spring to summer is very tight, Facilities Management will use Sunday and Monday to prepare units for move-in on Tuesday. We will not be able to check you in on Sunday or Monday. Residents will have until Tuesday at 10pm to be checked out of their spring assignment. Please use Sunday and Monday to pack and clean so that your transition on Tuesday will be smooth. If there are any concerns during your move, please find your new summer RA or GRC so they can assist.

Basic Utilities

The cost of utilities is covered in the housing rates. Students do not need to set up, coordinate payments, or close down service. This includes electricity, gas, water, trash, and sewage.

Frontier Internet

Internet in the Village is provided by Frontier Communications in coordination with the university. If there are issues with the internet when you move into your apartment, please find the router, and press the reset button. After resetting the router, use the Wi-Fi password printed on the router to connect. If you are missing equipment or have difficulties connecting, please contact the support desk at (626) 815-5050 or support@apu.edu. When you move out of the apartment, please leave all of the equipment in the unit and plugged in. Students who remove equipment will be charged for the replacement as part of the checkout process.

Summer Work Projects – Wood Balconies and Stairwells

There are always work projects going on during the summer. These projects are essential in the general upkeep of the living areas. At times, these projects may cause some inconvenience. This summer, there will be significant repairs to wood balconies and stairwells throughout the Village. Facilities Management will be in contact with any summer residents when repairs may impact them specifically. Thanks for your patience as we continue to improve the campus.

Parking

Summer parking is coordinated through Campus Safety (permits and gate remotes). After you have been assigned to summer housing, please contact Campus Safety to obtain parking.

Work Orders

Maintenance and furniture requests may be submitted online via your home.apu.edu portal. Please note, extra furniture will not be removed, even if students are not assigned to a space or there is a private bedroom.

End of Summer Checkout

If you are staying until the end of summer and are a fall resident, you will check out of your summer unit and into your fall unit on August 2, 2024. If you are not a fall resident and paid for the entire summer, your 13-week stay is over on August 2, 2024, which is your checkout deadline. **This date is not flexible**, so please plan ahead!

If you are paying for only specific weeks, your checkout will be the Saturday of the week you have paid through.
